EaterWire: Vegas Top Cheffage, Action at James Beach

Thursday, May 14, 2009, by Paolo

VENICE—[Yo Venice](#) notices that there's hot new action at **James Beach**, where the water-damaged interior seems to be getting a facelift. Anyone know more? [[Yo Venice](#)]

TOP CHEF VEGAS—Bravo still hasn't "officially confirmed" the sixth season in Vegas, but we all know it's currently filming there. Last night, [Tyler Florence](#) [told Twitter](#)

that he's on his way for a *Top Chef* guest judge appearance in Sin City, and for good measure, [Toby Young](#) is even [blogging](#) from Vegas. [ESF/Toby]

WEHO—Everyone can rest easy: **Ivan Kane's Cafe Was** has brought back the two martini lunch. Same deal, same bat channel: everyday between 11am and 3pm you receive two martinis for \$5. They're also doing a **\$12 three-course prix fixe**. But the good news is that it's been six months and the [giant upside-down tree](#) still puts a smile on our face. [EaterWire]
