The weekend comes in threes.

## Thursday

PERK UP

### 1 New Perk

Travel season is upon us and we here at Perks think you deserve more...or actually, a lot less. So we're taking a round three-digit number off your flight. We're just good like that.

PLAYOFFS

### The Game and a Burger

Over at BLT Steak, chef/overlord Laurent Tourondel is celebrating the continuation of Laker season the only way he knows how—by adding the famed *BLT Burger* (American Kobe, Gruyère, caramelized onions) and the *Jackson Burger* (beef, bacon, cheddar) to the bar menu.

## Friday

CHEERS

### The Two-Martini Lunch

In addition to a new \$12 three-course prix-fixe lunch (soup, half sandwich on baguette, dessert crepe), Ivan Kane's Café Wa s is reviving your favorite old-school tradition: the midday tittle. Five bucks will make it a two-martini affair. (Discussing your in-development screenplay remains optional.)

**411:** Daily, 11am-3pm, [Café Wa s](#), 1521 N. Vine St, Hollywood, 323-466-5400

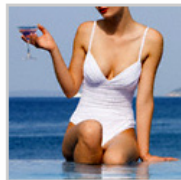

CAFFEINE

### Intelligentsia Venice Opening Party

The gleaming future of coffee snobbery isn't open just yet, but that's not stopping anyone from throwing an opening party. Let the gratis caffeine flow, accompanied by wine and beer from Silver Lake Wine, confounding [Wurstküche](#) specialties, and DJ sessions from Dam-Funk and Peanut Butter Wolf.

**411:** May 22, 8pm-1am, [Intelligentsia](#), 1331 Abbot Kinney Blvd, Venice, 310-399-1233

EARLY START

### Summer Fridays at Whist

If you're looking to add a half day to that three-day weekend, beer, wine and well drinks are two bucks from 2-3pm Friday at Whist—and then three bucks at 3pm, four at 4pm and five at 5pm. This'll happen all summer, to help kick off all those two-and-a-half-day weekends.

**411:** 1819 Ocean Ave, Santa Monica, 310-260-7511

## Monday

HIGH FIVE

### The Five-Minute Game Is Back

Come Memorial Day, five-minute chunks from 15 old movies will be shown, and then there's a vote on which should be screened in entirety. It's BYOB, by which they mean both booze and barbecue—there's a grill to keep you busy while the votes are counted.

**411:** \$10, May 25, 6pm, Silent Movie Theatre, 611 N. Fairfax Ave, tickets [here](#)
